

Glade Road Neighborhood Alliance

Participating Area (tentative)

NOTE: This map is old. Our boundaries have expanded beyond the area shown, we just have not had a chance to get the new addresses compiled and given to the volunteer who created this map for us. We continue to accept new members within a few blocks of the blue area. If in doubt, please feel free to join, as we simply don't have time to offer individual opinions on whether you are in our area -- if you join you will soon find out if you qualify (when it's time to sign the GRNA-approved lease). THANKS!
